

Teacher Reading Engagement Guide

Grow Your Students' Love of Reading with Beanstack

Beanstack uses proven gamification principles to motivate students to read more. Save time spent on paper logs and gain deeper insights into student reading habits.

Log Independent & Group Reading

- Make space for reading—even 5 minutes matters!—and encourage students to log classroom reading time in Beanstack.
- Replace paper reading logs with Beanstack, and ask students and families to log reading at home.
- [Log read alouds](#) for an entire class at once.

Model Healthy Reading Habits

- [Log your own reading](#) in Beanstack to model a life-long love of reading.
- [Add your students \(and fellow teachers!\) as friends](#), and challenge them to read more than you.

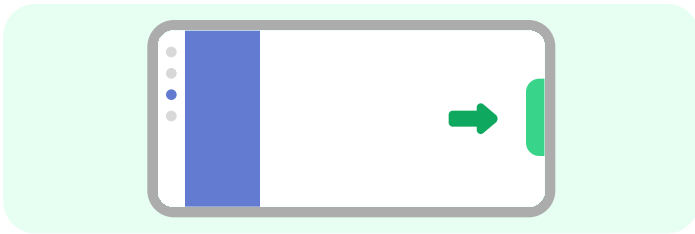

Track Daily Reading Habits

- [See student reading habits at a glance](#), and easily identify opportunities for reinforcement—and redirection.
- Leverage reading logs to connect with individual students about their reading habits and preferences.
- Use [Leaderboards](#) and [Lexile insights](#) to guide your instruction, intervention, recommendations, and parent-teacher conferences.

Teacher Quickstart Guide

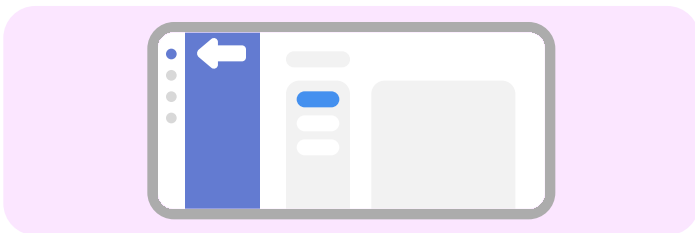

Log for myself

- From your Admin Dashboard, click the green **View Reader Experience** tab on the right.
- Click on your name under **Your Reader Profile**.
- Click **Log Reading** at the top of the screen.

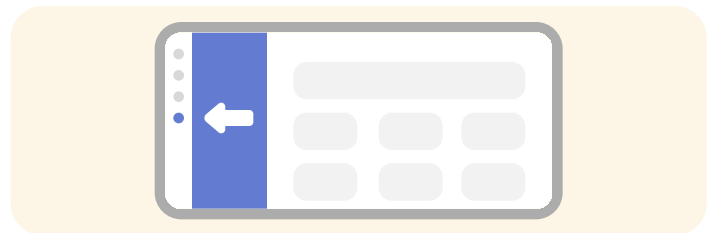

Log for my students

- From your **Admin Dashboard**, click **Log For My Classes**.
- Choose the class and select/deselect students based on participation.
- Choose a log type, enter your logging data, and select **Log Reading** to record the session for each student.

View student reading logs

- From your **Admin Dashboard**, select **My Classes and Readers**, then choose **View Students**.
- Search for and select a student.
- From the **Reading Log** tab, view students' reading logs and Lexile data.

Access Insights & Reports

- From your **Admin Dashboard** navigate to the **Insights** section to view at-a-glance participation totals and insights like top books read by your classes.
- Navigate to **Insights > Leaderboards** to view your top readers.
- Schedule any report (we like the **Detailed Reader Report!**) to arrive in your inbox on a recurring basis. Navigate to any report and select the calendar icon to set your schedule.
